Antelope County Attorney, Joe Smith met with the Commissioners regarding several topics;

- **Clock Tower:** Mr. Smith visited Jim McNally regarding the private donor who would like to restore the clock tower on the roof of the old courthouse. They (the donor and Mr. McNally) are willing to proceed. They will plan to have the inspection completed, engineering study, and construction management to move forward. They plan to get started with access and engineering study to see if the building can support the ‘new’ structure. Mr. Smith voiced no opposition to the plan. Discussion. The Commissioners wanted to review the initial studies and be allowed to have a second opinion on the results. In short, the Commissioners wanted to have very little expense from Antelope County tax dollars. Motion by Commissioner Krebs, seconded by Commissioner Jacob to approve the advancement of the structure study and plan to construct the tower if the studies support such action, to make the studies available to the Commissioners, and allow a possible second opinion on the access and engineering studies. With the exception of the review of the structure study, at no cost to the taxation of the County. Voting aye: Jacob, Dittrich, Krebs and Henery. Nays none. Williby absent. Motion carried.
- **Open meetings:** Mr. Smith visited with the Commissioners to reiterate the need to keep the executive sessions for employee and or litigation matters only. Basically, if an executive session is used it is to protect the interest of the employee, and/or the county regarding litigation.
- **Brown County Interlocal Agreement:** Mr. Smith, worked with Brown County Attorney, Joseph Taylor to present an interlocal agreement for Antelope County to temporarily answer the Brown County 9-1-1 phones, as they have had a large turnover of employees, and they are not able to man the system 24/7 as need demands. Mr. Smith stated he does not see any reason the Commissioners could not approve it today.

Correspondence was Reviewed: copy of interlocal agreement with Brown County to provide temporary dispatch service; Northeast Nebraska Solid Waste Coalition June newsletter; liability insurance certificate for Thomas J. Krause; email from Scott Bastin regarding safety barriers in the DHHS office; price list for Christopher Maurer safety supplies list; Tilden Public Library annual report; copy of the Board Preapproval sent to the Board of Commissioners last night; estimates from the Body Works and Elgin Body and Glass for the pickup that was rear-ended on Thursday, May 28th, 2026.

Clerk of the District Court May Fee Report was reviewed and put on file.

Treasurer’s Fund Balance Report for May was reviewed and put on file.

Treasurer’s Miscellaneous Revenue Report for May was reviewed and put on file.

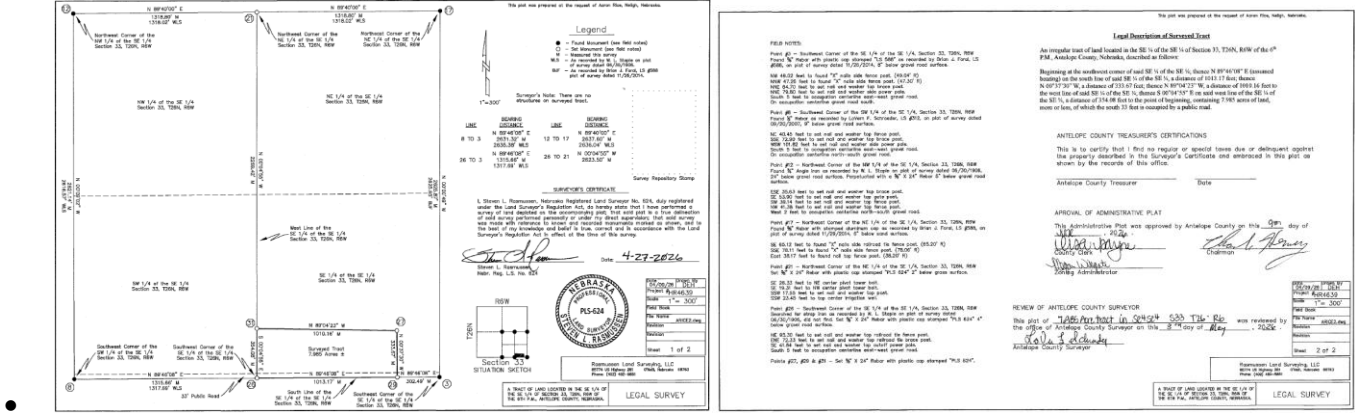

Treasurer's Sweep Account Statement for May was reviewed and put on file.

Sheriff’s Fee Report for May was reviewed and put on file.

Antelope County Library Association: annually, the Library Association meets with the Commissioners to review the previous years library expenses. Today; Amy Baker, Neligh Public Library; Barb Bode, Elgin Public Library; and Donna Hamilton, Orchard Public Library met with the Commissioners for their annual report. All members attending requested continued support of their libraries. Tilden Community Library submitted their report prior to the meeting and Oakdale submitted their report through the President of the Library Association. The Commissioners said they would keep that under advisement when working with the 2026-2027 budget. No further action today.

Zoning Administrator’s Report:

- Zoning Permit Report for May was reviewed and put on file.
- Administrative Plat: Aaron Rice submitted an Administrative Plat for 7.985+/- tract in the southeast quarter of the southeast quarter of Section 33, Township 26, Range 6 West of the 6th P.M., Antelope County, Nebraska. Mr. Rice plans to expand the feedlot in the area. He is not wanting to construct currently. All setbacks are met, adjoining parcels will not be landlocked, and Mrs. Wingate recommends approval. Motion by Commissioner Dittrich, seconded by Commissioner Jacob to approve administrative plat and authorize as needed. Voting aye: Jacob, Krebs, Dittrich and Henery. Nays none. Williby absent. Motion carried.

- No further report.

Interlocal Cooperation Agreement Brown County: This agreement was discussed last week, as Sheriff Moore presented the current situation Brown County is in regarding the dispatch center. Over the last couple of weeks, a number of Brown County dispatchers have terminated their employment with Brown County. With these terminations, there is not enough staff to run the dispatch center. Sheriff **Brent J. Deibler**, Brown County reached out to Sheriff Moore regarding the use of the Antelope County Law Enforcement Center staff to man the Brown County center simultaneously. Brown County currently has the same radio system. County Attorney Joe Smith worked with Brown County Attorney, Andy Taylor to create an agreement for the temporary transfer of dispatch to the Antelope County Law Enforcement. Brown County wishes to temporarily house this offsite as they deal with a number of employees resigning and not enough support staff to continue operations. As needed, Brown County plans to hire these positions and have the Antelope County Law Enforcement Personnel help with training. Agreement is open-ended contract – as dates are not set in stone to have employees available. Discussion. Motion by Commissioner Krebs, seconded by Commissioner Jacob to approve said agreement and authorize Chairman to sign the same. Voting aye: Krebs, Dittrich, Jacob and Henery. Nays none. Williby absent. Motion carried.

Budget Fund Transfers: To insure all adjustments are captured, the Clerk requested to hold this item until she is able to finalize the budget through payroll and vendor checks being approved today. No further action.

First Aid Supply Quote- CM Supplies: Christopher Maurer worked for Cintas delivering first aid supplies. Since then he has set up a small business and is supplying first aid supplies to various entities. It was unsure what his time line was, how often he would check the cabinets, where or what supplies he stocks, is he willing to service all of the barns in addition to the courthouse. It was requested the clerk get a few more answers and report back. No action today.

Road Superintendent Report:

- **Sign Truck:** last week while reviewing ‘like bids’ for a sign truck, the Commissioners asked if the Road Foreman and mechanic could drive to Ames, Iowa and look at a truck Jonny Dodge presented for purchase. This was completed on Thursday, both employees felt very favorable towards the truck. Today, after a short delay, a purchase order is presented. Jonny Dodge lowered the price to \$22,000.00 as promised, if Antelope County would retrieve the vehicle. The truck is a 2017 red 3500 Dodge Commercial pickup. Antelope County plans to replace the sign pickup – which went out of commission earlier this spring. Discussion. Duane Jones said they drove it back and dropped it off at Jonny Dodge. Jonny Dodge checked it over, said the ABS light was on, they will check that out also. Discussion. Motion by Commissioner Krebs, seconded by Commissioner Jacob to approve purchase. Voting aye: Krebs, Dittrich, Jacob and Henery. Nays none. Williby absent. Motion carried.
- **Equipment 222:** parts arrived today. Will work on transmission today.
- **Equipment 221:** Is at Ryan’s Repair in Ewing has this truck. He believes it is in the fuel pump. It is reading low fuel pressure, and he believes the ejectors are acting up – there is an engine noise that Dylan or Ryan cannot identify. He plans to be back at the shop later this week.
- **JD Tractor in Elgin:** has a cracked cylinder head. It is being overhauled.
- **Elgin H Grader** – Grubb plans to start that fix this week.
- **Equipment** is going to be auctioned on the 24th of June.
- **CAT Motor Grader:** yesterday Murphy Tractor reached out to Mr. Kluthe regarding the availability of a used 2023 grader with about 3500 hours of warranty left. Price was in the range of \$188,000.00. Discussion. There did not seem to be a caring need for the grader. No action was taken.
- **Milling Machine-City of Neligh:** Dan from the City of Neligh met with the Commissioners regarding the milling machine. The City of Neligh has approximately six (6) or seven (7) blocks they would like to grind because the overlay is breaking up. Discussion. The City streets have a concrete base, and it is unsure how the blades (teeth) will hold up on concrete. The Commissioners advised Mr. Donaldson the County could not commit to this project as we had our own work to do. The Commissioners discussed with Mr. Donaldson, they believed Rutjens Construction has a machine that would better handle the concrete streets.
- **Oakdale Mixing Strip:** 7 am tomorrow morning planning on mixing again to speed the drying.
- **Mixing Strip on Copenhagen Road:** needs to dry. Commissioner Dittrich suggested Friday to shoot oil, to hopefully avoid any more moisture that is predicted to fall over the weekend/Monday.
- **843rd Road:** Joe Eisheid and Billy Russel will work on this area next week. Mr. Eisheid is taking some time this week.

Payroll Claims: Motion by Commissioner Jacob seconded by Commissioner Dittrich to approve **payroll claims** as presented. Voting aye: Jacob, Dittrich, Krebs, and Henery. Nays none. Williby absent. Motion carried.

Vendor Claims: During review of claims a number of questions were asked for clarification.

Lichtenberg Tire: 7 new motor grader tires – quick check garnered another vendor in County was probably a little better deal.

Emme Sand & Gravel: Tinsley Grain – should be machine hire. Claim was updated.

Hoofin’ It Trucking: should be machine hire. Claim was updated.

Jonny Dodge: a miscellaneous code was presented on claim. It was updated to equipment purchase.

Sanne Repair: light bar looked like it was billed twice. 2nd one was removed. Claim updated.

After the above fixes.....

- **Vendor Claims:** Motion by Commissioner Krebs, seconded by Commissioner Jacob to approve and pay vendor claims. Voting aye: Jacob, Dittrich, Krebs and Henery. Nays none. Williby was absent. Motion carried.
